

Music City Trykes is the Middle Tennessee chapter of the national service organization, AMBUCS. Our mission is to create independence through mobility for local children with special needs.

We invite your business to consider supporting the Music City Trykes Wish List Fund through our annual holiday give-away event: **Trykes Under the Tree 2019** (December 13-14). All the proceeds will go to support the purchase of adaptive tricycles – Amtrykes® – for children with special needs living here in the Middle Tennessee area.

These bikes mean so much to our riders and their families. **We currently have more than 80 local children on our Wish List, waiting for an Amtryke® to call his or her own.** Please send an email to MCTBusinessPartners@gmail.com or call us at 615-669-RIDE to discuss how we can partner with you to get more children riding.

(Sponsorship Deadline for Trykes Under the Tree 2019: November 8)
